An Online Study Group

MysTech invites you to participate in this earnest weekly online study group. Founded to cultivate the soul and soil for the development of “Mechanical Occultism” in the West, MysTech ponders Rudolf Steiner's indications such as the *"welding together of Mankind with machines will be a great and important problem for the rest of the earth-evolution."* *The Wrong and Right Use of Esoteric Knowledge*, Lecture 3, Nov. 25, 1917.

We will use Zoom for video conferencing; for extended discussions and study we have a private forum on Facebook.
